### Option 1: Monthly Tuition

This option, available to all students, new and returning, is considered "normal registration". Upon registration, you will pay first and last month tuition as well as a registration fee (if applicable). The "first month" may be prorated and the "last month" typically refers to June but could also mean your last month if you choose to withdraw from classes before the end of the dance season. Tuition will be charged on the first of the month for the remaining months of the dance season.

### Option 2: Silver Member (Pay in Full)

If a student selects this option, tuition for the entire 10½ months of dance and registration (if applicable) is due upon registration. This option is only available to students who register for the entire 2010-2011 dance season. Upon registering as a Silver Member, students will receive 5% off the total tuition payment. Students will also benefit from priority registration for the following dance season and early ticket sales for the end-of-year recital. If a student withdraws from classes before the end of the dance season, any unallocated tuition will be refunded minus the 5% discount.

### Option 3: Gold Member (2 Year Contract)

Gold Member status is available only to students who have received their 3-year trophy and will be registering for their 4<sup>th</sup> dance season or more. Upon registration, students will sign a contract committing to 2 full dance seasons. Annual tuition will be divided over 12 months rather than 10½ and students will continue to pay throughout the summer months. In addition to slightly lower monthly tuition, Gold Members will benefit from; no registration fees, no price increases, 20% off summer programs, priority registration, early ticket sales for the end-of-year recitals, and an APA car magnet. If a student withdraws from classes before the end of the 2 year contract, the remaining balance is owed to the studio.

If you would like to take advantage of either the Silver or Gold Member options, please contact the studio and return the appropriate contract as soon as possible.
