

What We Provide:

APA will provide a large dance studio space and a party professional(s) for **1.5 hours of fun**. They will insure that your party runs smoothly and everyone has a good time.

During your party, guests will warm up, stretch and dance to a variety of songs. They may participate in an obstacle course, games, and other fun activities designed to keep the party moving and get everyone involved. Guests will also work on a **Craft** provided by APA, sing "Happy Birthday", and open gifts. We can even **customize your party** with a theme of your choice. Some popular ideas are Princesses, Rock Star, Fashionista and even Disco!

All the while, parents can sit back and enjoy the party or join in on the fun. Mom or Dad can video tape and not be bothered with running the party. As the party wraps up, the guests leave with their very own hand-made craft.

You will also receive driving directions and contact information on a special card to add to your own invitations.

APA can provide a fun, safe and original place to have any kind of party from age 3 to 10 for any amount of guests. We are extremely flexible and will do our best to accommodate all of your needs.

What You Need To Bring:

You are more than welcome to bring with you any decorations you would like to use, a cake, food, drinks, party bags, and dress up clothes or costumes for the guests.

We will provide tables and enough chairs for all of your guests, so tablecloths tend to be an effective decoration. Balloons and streamers are also a great way to customize your special event.

Please come by ahead of time to see what the room looks like and how you might want to decorate. You may arrive 30 minutes before the party to decorate and set up. Make sure you pick up your direction cards before you mail your invitations.
