TO ORDER PICTURES FOLLOW THE STEPS BELOW:

1. Go to JimmyAllenPhotography.com and click on View and Order.
2. Click on APA and put in your email address- the PASSWORD is our phone number:

3677210

3. Find you photos by pulling down the dropdown menu to find the teacher's name, day and time of the class. Then scroll through that class to find your proofs.
4. As you are putting photos in your shopping cart it will look like your order is going to cost WAY MORE than it should. You have to put in a promotional code to apply the multiple order discount.
5. Your promotional code is the number of units you order. So if you are ordering 3 units, put a 3 in the Promotional Code Box. Your discount will apply to the order.
6. Do not include group shots in your promotional code count. They are \$10 each.

Once you have ordered your pictures, you can expect them in two weeks.
